

To All Potential Customers of "Make It Special Event Planning",

I wanted to send along a note of appreciation for the work that Desiree and her team did recently for The Vertigo Club.

I've known Desiree for several years through her community involvement and the Port Orchard Chamber of Commerce. I recently held a Grand Preview for my new business - The Vertigo Club, Seattle's First & Only Private, Luxury Cigar Club. It made perfect sense to involve Desiree and "Make It Special Event Planning" in the catering process.

Desiree was not only incredibly supportive but she quoted us an incredibly reasonable price and went out of her way to be available for my event. She was especially careful to create a catering menu that complimented the wine and cigars we were serving our guests. Since the majority of our guests were men, Desiree took the time to plan a menu that would interest the male palate.

Needless to say, the event was a success and Desiree played a large part in our great evening. The guests all raved about her catering. She and Matt went far above and beyond what was expected of them. I was so impressed by her above-and-beyond attitude that I hired her on the spot for all of our Club's monthly member dinners.

I truly cannot express how happy I am with Desiree and her team at "Make It Special Parties". She does what she does with passion and does it exceedingly well. Thank you for a great event Desiree!

Sincerely,
